Portrait Painting Classes

Tuesdays, 6:00 to 9:00 p.m.
with Natalie Italiano

Students paint from the portrait model, based on a classical approach: Starting with a monochromatic "grisaille," the gesture of the head is blocked in by relating angles, planes and shapes, from simple to complex. Through instructor demonstrations and critiques, students progress from the grisaille, to the "duo-tone" value study, and finally to the full color study.

This class runs just 8 weeks.

Tuition: \$280 Includes model fees.
